The Integrated Care Experience

Our flagship program, refreshed for our new normal!

This is a multi-disciplinary program, relevant for physicians, hospital administrators, health plan leaders, digital health professionals, and health care strategists.

Join this 3-day immersive experience if you are a health care leader who wants to understand the power of integrated care and learn practices that can be adapted for your context.

Refuel for Alumni

For those who have attended previous KP International programs, virtually or in-person, this is a refresh and reboot.

Join this 3-day experience if you have had exposure to KP via a multi-session KP International program. This session will focus on exploring specific topics in more depth and provide updates on how we have progressed over the past few years.
